

December 2022

Dear Friend of Brookline,

*Our breeding days were finally over when Brookline rescued us but it was only the beginning of our health journey. Brookline took us to specialists after nothing was solving our bladder leakage and recurring urinary tract infections. After several tests, procedures and medication, we've improved but the doctors are still getting to the bottom of our urinary issues — which we're told are genetic. Our names are Kassy and Lexi and we're so lucky that Brookline is committed to helping us sisters through our medical issues and finding our forever homes.*

Lexi at her foster home

Kassy recovering from surgery

Kassy is improving!

Kassy's and Lexi's medical expenses have reached \$7,200 and will rise another \$10,000 as both continue to see a specialist and will need more procedures. Your contributions made it possible for Brookline to help both of them plus many other Labs in 2022. We've seen an increase in dogs with special medical and behavioral needs over the last several months. We don't want to turn any of them away since we are often their last hope. Thanks to our generous donors, we haven't had to do that.

We're starting to get back to our in-person fundraising events but still are falling short of the number we need. So your gift this year continues to be very important. The majority of our funds come directly from individuals like you – Lab lovers, previous adopters, and members of the Brookline family. Brookline requests a nominal adoption fee for our dogs but our expenses far outweigh the amount collected. So far this year, our combined vet, training and boarding expenses have exceeded **\$160,000**.

We know how much you love Labs and your gift can save lives. With your support, Brookline can continue its mission of rescuing Labs, providing the care they need and matching them to safe and loving forever homes. There's no greater reward than knowing you've made a difference in the life of an animal in need.

Please send your gift today and you can make an immediate impact. You can donate via PayPal by clicking [here](#). To mail your donation, please print and complete the form below. Checks are payable to 'BLRR' and don't forget to ask your employer if they participate in donation-matching programs. Thank you!

Sincerely,

Sharon Frey, Treasurer

*P.S. Your gift will make a difference today!*

HUNTER

### Hunter is getting the care he needs thanks to you!

Hunter is a sweet, young male who suffers from seizures. He is one of our long-term foster dogs and his expenses have totaled more than \$8,000. He is living his best life because of your generous donations.

*Thank you!*
